To whom it may concern,

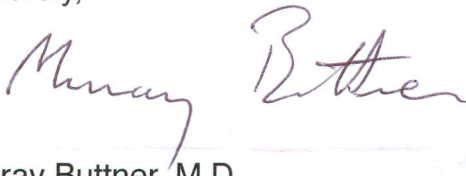

Ms. Lisa Davidson is a wonder.

She is efficient, organized, and very good with finances. She has excellent clerical skills. As a realtor in Windham County, she knows the local area well and has a wealth of contacts. She is a gifted writer. She is extremely personable and easy to talk to. She is a tenacious advocate for her clients.

Lisa represented my wife and I when we were looking for a house. We felt very lucky to have had her as our realtor. I was so impressed with her business and clerical skills that I asked her to help me when I started my new practice. Along the way she has become a very good friend.

I cannot think of any one whom I have met who would make a better personal assistant than Ms. Davidson.

Sincerely,

A handwritten signature in cursive script that reads "Murray Buttner". The signature is written in dark ink and is positioned above the printed name.
